Correction of Minutes

1. It was breakfast before Javits Show, not lunch.

Reports:

President:

1. The January 16, 2002 meeting (Elections) will be at Charles's (26th St). The March meeting location will be determined at the election meeting;
2. Attending the Javits MC show were Mark W and Arnie and guest DJ. Jeff and Paul were at breakfast at the diner;
3. The Installation Dinner will be next month (see New Business) at a place yet to be decided. The committee to look for a place will be Mark W, Leonard, Ken, Jeff. Anyone else who would like to serve should call Ken.

Vice President:

1. "Toys for Tots" was a success. There was a profit this year even though attendance was down;
2. In addition to a car load of toys, Jeff was able to get donations of \$2043.00 from his co-workers.

Treasurer:

- | | |
|-----------------------------------|-----------|
| 1. Checking Account (as of 12/27) | \$4143.97 |

Jamo, Mark W, Keith, Charles, **Jose,** Mel, **Jeff,** Paul, **Bryan, Neal,** Bob, Dean, **Leonard,** Dennis, Rich, Arnie, **Lenny, Ken,** Ed, Matthew, **Mark S**

Guests- Ray DeForest (rides a Fatboy- his 2nd meeting)

Correction of Minutes of January 2

1. The following are corrections of the 01/02 minutes (Reports):

Vice President:

1. Jeff was able to collect \$1747 in donations from his co-workers.

Treasurer:

1. Dues are \$96 and are being collected now:

2. The Club donation to Leake-Watts was \$361 but there was no breakdown of the source of the money (door, donors, coat check, etc).

2. The following were left out of the 01/02 minutes (reports and New Business):

AMCC:

There is a controversy about the AMCC budget. There has been a motion made to assess each club \$100 for the Outreach program. Outreach wants the money for attendance at runs, ads, mailings, etc. AMCC has over \$3000 in account. The Rep feels that there is one budget and the Outreach Committee should come to AMCC when it needs more funds and not have its own budget.

New Business Motion: to direct the AMCC Rep to vote in the best interests of AMCC on this matter by Lenny
second by Rich
passed

Picnic Committee:

Questionnaires are done and will be presented at the January 16th meeting.

Reports:

President:

1. The March 6th meeting will be at Jamo's. The Installation Dinner will be the February meeting. The date has been changed (see New Business) ;
2. Jeff was kind enough to make up new membership tally. It will be handed out at this meeting. Those not in attendance will be sent one with the hardcopy sent by snail mail;
3. Mark W cannot run for president again but we survived this year despite difficult times.

Vice President:

1. The Installation Dinner Committee will meet after the business meeting to coordinate plans but the Dinner will begin at 6:30 pm;
2. The Metro Bears sent a card and lots of toys for the Toys For Tots.

Treasurer:

1. Dues are \$96.

Road Captain:

1. The Picnic Committee survey will not be presented at this meeting. The 2002 Road Captain will be consulted first.

Corresponding Secretary:

1. A letter confirming his Emeritus status has been sent to Charles

AMCC Representative:

1. The AMCC meeting is next month.

New Business:

Motions:

1. To change the Installation Dinner date to February 10th (Sunday)
by Jeff
second by Lenny
passed

Nominations for officers for 2002 (after withdrawals and reopening of Nominations):

President- Jeff

Vice President- Arnie

Treasurer- Lenny

Road Captain- Mark S

Recording Secretary- Dennis

Corresponding Secretary- Mark W

Election of officers (by acclimation):

President- Jeff

Vice President- Arnie

Treasurer- Lenny

Road Captain- Mark S

Recording Secretary- Dennis

Corresponding Secretary- Mark W

Good and Welfare:

1. Happy, happy birthday baby to Arnie;
2. Ed is recovering at home and is accepting calls and visits. He has been in a cast since last June. He will be going from hard to soft next week (don't we all);
3. Dennis' mother is still doing well;
4. The group Mark S use to ride with is coming up from Dallas for a ride in May. See Mark S for info if you would like to ride with them;
5. Dennis would like it noted that he has donated the cost of postage and photocopying of the hard copies for the last three years. If there are any other unrecognized donations, the Corresponding Secretary would still like to hear about them so that they can be included in the minutes;
6. Thanks to Jeff for making and distributing the revised membership tallys;
7. The LI Ravens Weekend is March 22-24. Information can be gotten at info@liravensmc.org;
8. A group is going to MAL this weekend (just family, according to Ken);
9. Rich's parents are having health problems and we all wish them the best;
10. Jamo went to Provincetown for Xmas. He wanted to get away from the City. He had a great time even though there were few people there. The guest house at which he stayed was very accomidating and Jamo has flyers if you would like to know more. I am not going to try to relate the story of his bus trip back. I couldn't do it justice. See Jamo for details;
11. Jamo is getting laser surgery on his eye (going to put the twinkle back, I think);
12. Bryan has a personal trainer (a German). So does Mark W (not a German). As we age we all like the idea of trying to reachieve hunkiness, don't we?;
13. Gary A says hi;
14. Thanks to all outgoing officers (and next year yours truly will be on that list);
15. Thanks to Charles for hosting this meeting and providing the eats. He was out of town and unable to attend (and he was missed by all) but Rick acted as stand-in host (speaking of cupcakes);

Good and Welfare:

1. Eddie's niece is doing an AIDS Walk (60 miles). Attached is an application for your support. Her name is already printed at the top. Send yours in ASAP. She needs sponsorships to do this;

2. Dennis will have one or two knees replaced this fall. He will also have something long and hard shoved up his butt this spring. This will be the first time something longer than a finger (attached to an MD) has been there since he was 20. Stay tuned for more of this continuing saga;

3. If Arnie and Bryan put their heads together you get one nice looking ass;

4. Bryan will have a neck operation next week. And here we all thought he already was a stiff-necked kraut ;

5. Dennis' mom continues to be fine;

6. Wasn't this a fun meeting! That's why we call ourselves Brothers;

7. Arnie's drawing for the Picnic flyer has Road Queen on the bike. Love it!!

8. Eddie's Magna is for sale;

9. Thanks to Ed for hosting the meeting. Thanks also to Paul for cooking, Jeff for shopping, and Peter for helping host and serve.

All donations benefit the Aaron Diamond AIDS Research Center, the UCLA AIDS Institute, and Emory Vaccine Center.

Although we take the greatest pains at all times and in all respects to ensure that the greatest percentage of donations remains with the cause, we cannot make any guarantees about what that percentage will be. There are variables we cannot predict that prevent that - like how many people ultimately participate, and how much money each of them raises. The more people that participate, and the more money raised, the greater the percentage that can remain with the cause.

Three Easy Payment Options

1. Personal Check (Single Payment in Full)

If you are making a single payment in full, please make checks payable to UCLA Foundation (AIDS Vaccine 3-Day). Please include participant name and participant number on all checks. Donations are non-refundable and non-transferable. All donations will be credited in U.S. dollars.

2. Automatic Monthly Payment from Checking Account (U.S. Donors Only)

If you wish to have your donation debited automatically each month from your checking account, please read the following very carefully, then complete and sign. Please attach a VOIDED blank check to this form. (Please, no deposit slips.) NOTE: You may only use this option if your monthly payment will be \$25 or more.

IMPORTANT: Your monthly statement(s) will read UCLA Foundation (AIDS Vaccine 3-Day). Please read and complete the following: I (we) hereby authorize the UCLA Foundation (AIDS Vaccine 3-Day) to initiate debit entries and to initiate, if necessary, credit entries and adjustments for any debit entries in error, to my (our) account, upon processing of the form by the Donation Office. This authority is to remain in full force and effect until my donation is fulfilled or until revoked by me (us) in writing. Payments commence immediately upon processing of this form by the Donation Office. Donations are tax deductible to the fullest extent allowed by law. Donations are non-refundable and non-transferable.

An Important Note to Donors

Although we take the greatest pains at all times and in all respects to ensure that the greatest percentage of donations remains with the cause, we cannot make any guarantees about what that percentage will be. There are variables we cannot predict that prevent that — like how many people ultimately participate, and how much money each of them raises. The more people that participate, and the more money raised, the greater the percentage that can remain with the cause.

How much money has gone back to the cause?

Since our first event in 1994, Pallotta TeamWorks' events have netted an astonishing \$154 million for AIDS and breast cancer charities. The AIDS Rides, in seven years, have channeled over \$83 million directly to AIDS charities. The Avon Breast Cancer 3-Days, in three years, have put over \$65 million directly into the hands of breast cancer charities. In just one year, the Alaska AIDS Vaccine Ride sent \$4.1 million to AIDS vaccine research. That's more money, more quickly, to those causes than any known private event enterprise in United States history.

Where does the money go?

On average, approximately 60% of all donor dollars have remained with the cause. Approximately 19% of every dollar went toward participant safety and support — meals, showers, safety signage, tents, and everything it takes to move your friends and loved ones, and thousands of other people, safely through the event. Sixteen percent of every dollar went into event awareness marketing and administrative expenses. Pallotta TeamWorks' production fee accounts for the final 5%. It's important to note that these are averages, and do not necessarily reflect specific performance for an event in your city. Please call us or visit www.pallottateamworks.com for full financial disclosure on all of our events.

How do our percentages compare with other fundraisers' percentages?

The National Society of Fundraising Executives recommends that no more than 50% of a donor contribution go toward expenses. Pallotta TeamWorks' average event expense percentage of 40% is well below that threshold. In the State of California for the year 1998, according to the Attorney General's report, only 44% of every charitable dollar donated through commercial fundraisers actually went to charitable services. Pallotta TeamWorks' average of 60% is well above the actual state average.

How do Pallotta TeamWorks' events compare with other events?

Our events do two things at once. First, we are putting on a fundraiser. Second, we are providing a life-changing, transformational type of experience for each individual who participates. So when people donate to one of our events, they are investing both in the charity and in the potential of these heroic dreamers.

There are no other companies that do both of these things at once, so there is no one to compare us to. Our events do a lot more than a typical fundraiser, and they should not be compared with traditional fundraising events that only do one thing. Our events exist in a category that we created, and still occupy by ourselves. When you consider that, even after doing two things at once, our percentages exceed industry standards, you get a true sense of just how efficient our operations are.

A typical charity walk-a-thon lasts half a day. In order to provide a life-challenging experience, and an experience that inspires people to donate at the volume they do to our events, you have to do something much more epic than that.

A typical Pallotta TeamWorks event lasts four days, and includes 3,000 participants. For these participants, we provide three dinners, four lunches, four breakfasts, a tent to sleep in, mobile hot showers on tractor trailers, mobile sinks, hundreds of individual chemical toilets placed specifically along miles and miles of road, hundreds of miles of medical and technical support, the movement of 210,000 pounds of luggage every day, lighting, refrigeration, the removal by vacuum truck of hundreds of thousands of gallons of waste water, an opening ceremony, a closing ceremony, evening entertainment programming, and a long list of other amenities. We are literally moving a mobile city of 3,000 people each and every day to a new site.

Percentages and Dollars

As a person who gives to charity, you should do all you can to understand the complexities of charitable fundraising. Don't accept any one number as a norm.

The amount is as important as the percentage. For instance, an event that returns 70% of your dollar back to charity may look better than one that sends 60% back. But what if the event that returns 70% raised \$100,000, while the event that returns 60% raised \$5 million? The 60% event returned a lot more money to the cause. Someone could easily compare a bake sale, that returns 100% of donations to charities, with Pallotta TeamWorks' events that "only" returned 60%. If they didn't tell you anything else, you'd think much more highly of the bake sale. We think it's important for you to know that the bake sale delivered \$1,500 to charity, and that Pallotta TeamWorks' events have delivered \$153,503,000. In other words, volume is every bit as important as percentages, if not more, and you need both to create an accurate picture.

With real dollars, researchers can get a paycheck to stay over the microscope, and real clinics can provide real early detection services to poor women who may have breast cancer that would otherwise go undetected. Percentages can't do any of that.

What is Pallotta TeamWorks?

The vision of Pallotta TeamWorks is to change the world. First, by helping people see beyond the limits they have placed on themselves. Second, by helping them see beyond the limits they have placed on the world, and third, by spreading the simple power of human kindness. Over time, we want to alter the way that Americans spend their leisure time, so that a decade or two from now, just like the Grand Canyon and the Statue of Liberty are on everyone's list of things to do, the idea of doing an "impossible" altruistic event will also be a must on everyone's list — the idea of brave citizen action in service to humanity will become a pro forma part of our culture.

We are a new and different kind of business. Some people think we're a fundraising company. Some people think we're an event productions outfit. While we're expert in both of these areas, they are only components of our real work. Our real work is the work of human potential, and the potential of the human race. The long arc of our vision goes way beyond the mechanics of fundraising, bike rides and walks.

Pallotta TeamWorks is headquartered in Los Angeles, is a California for-profit corporation, and has over 250 full-time employees in 15 offices around the United States. We were founded in 1992 by Dan Pallotta, a Harvard graduate with a vision of re-inventing charity by bringing the most intelligent practices of the most successful businesses to the realm of common human decency: great marketing, smart management, cutting edge capitalization models, and an orientation toward results. Our business model is based in the belief that the great causes deserve the same talent and business savvy that goes into the great consumer brands.

This experiment in industrial strength kindness is working. Breaking records. Creating a new paradigm for helping people. Since our inception through the year 2000, we have netted \$153 million for the causes of AIDS and breast cancer. That's more money, sent more quickly to AIDS and breast cancer charities than any known private event enterprise in U.S. history. Over 85,000 people have participated in one of our events. Over 1 billion people have been reached in the media coverage of our events, and over 3 million new donors have been brought to bear on the issues we support.

For full financial disclosure on all of our events, you can visit our website at www.pallottateamworks.com or call us at 800-825-1000 to request a copy of our Record of Impact.

EMPIRE CITY MOTORCYCLE CLUB BIKER'S PICNIC SURVEY REPORT

BACKGROUND:

Partially as a result of the poor attendance at the 2001 annual Biker's Picnic, but also to analyze the views of the current Empire City M.C. membership, a "Biker's Picnic Committee" (the Committee) was formed to review this event. In light of the role that the Biker's Picnic has played as an annual ECMC tradition through its 38 years as an organization, the Committee felt that it was essential to ascertain the views of all the membership on this issue. A survey was drafted as the means to obtain the opinions of the membership on the Biker's Picnic.

THE SURVEY:

Drafted by the Committee Chair and reviewed by the current President and Road Captain, the survey consists of five fairly direct questions. While simple the questions were designed to elicit more than just yes or no responds and the extend to which members choice to expand on their answers was left to the individual. This was not a confidential survey and it was gratifying to note that close to half of the respondents actually identified themselves as part of answering the survey or by signing their names.

SUMMARY OF KEY SURVEY RESULTS:

The following highlight the keys points noted in the of the survey:

- A total of 20 surveys were distributed;
- 16 or 80 % of the membership responded;
- Not all respondents answered all the questions;
- Of the 80 % of the membership responding:
 - 93 % or 15 members wanted to continue holding the Biker's Picnic. The one exception did not addressed the question;
 - Nearly 70 % (11) of the respondents would like to see changes made with 12 different suggestions made as to how;
 - 50 % (8) of the respondents would like to continue having the Biker's Picnic during Memorial Day weekend
 - 43 % (7) of those responding wanted a weekend other than Memorial Day weekend, with five members offering suggestions;
 - None of the respondents wanted just a one day event;
 - 61 % (10) of the respondents suggested that various changes be made in what is done during the Biker's Picnic with nine (9) options named;
 - 50 % (8) of the respondents had some issues/comments to make and nine (9) suggestions/issues were named.

Each year or so, Empire City Motorcycle Club (all men) has a pool tournament with the Sirens NYC Motorcycle Club (all women). The winner of the tournament gets to choose the charity to which the loser will donate \$100. This year, the men won and we chose Project Achieve as our recipient.

I have been a client of Project Achieve (Explore) for several years now and I always believed that there hasn't been enough recognition for the HIV - community and the work that organizations such as yours do to create the necessary vaccine for this pandemic.

Please accept our humble albeit symbolic contribution for this worthy cause.

Sincerely,

Mark N. Wind

Empire City Motorcycle Club Minutes for November 6, 2002

Call to order: 2010 hrs

Location: Neal's

Presiding: Jeff

Role Call:

Members and Pledges (Present are in bold print)-

Jamo, **Mark W**, Keith, Charles, Jose, **Jeff**, **Paul**, **Bryan**, **Neal**, Bob, Dean, ~~Leonard~~, **Dennis**, **Rich**, **Arnie**, **Lenny**, **Ken**, **Ed**, Mark S. skip

Guests- Paul S (rides a 2001 Road Star)

Correction Of Minutes:

none

Reports:

President:

1. It was a wonderful Anniversary Brunch. For a list of attendees please see Minutes for October. Bob and Dean hosted the meeting. No one rode. It rained;
2. The next meeting is December 4 at Mark S's. This is when the assignments for the Toys for Tots will be finalized. It will be an important meeting.

Treasurer:

1. Balances- Accident Fund (as of 09/30/02) \$1704.65
Checking (as of 11/06/02) \$3146.55
2. See Lenny for a complete report.

Corresponding Secretary:

1. There is an AMCC all club night at the Lure 11/09. It will be a good chance to sell tickets;
2. A letter of condolence was sent to Bob on the passing of his mother.

Toys for Tots:

1. Bryan will be making cookies;
2. We need to find out what food will be provided for the AMCC meeting;
3. Comps have been given to Bucks MC for use as a door prize, D. McCall, Dave and John;
4. Volunteer for assignments by contacting Arnie. Also contact Arnie about door prizes you have gotten;
5. Tickets are \$25 or \$30 at the door;
6. Leake-Watts has expanded its scope and therefore can use even more toys. They now handle placement for other children since with the new medical advances there are less HIV infected children in foster care. The Club will limit our support to 3 groups: specialized foster care (HIV infected), medically fragile, and therapeutic children. The Club will reevaluate it's relationship to Leake-Watts prior to next year's event.

New Business:**Motions:**

1. To obtain a credit card for use by the Club

by- Mark W

second- Lenny

tabled

2. To have the 2003 Biker's Picnic on the first weekend in June rather than the Memorial Day weekend

by- Mark W

second- Paul

passed

Good and Welfare:

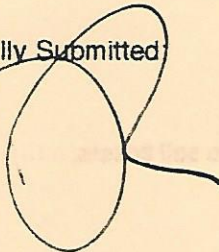

1. Happy happy birthday baby to Dean. Belated wishes to Paul, Neal;
2. Santa Saturday (Bucks MC) is November 28 NOT November 23 as in the calender sent out last spring. It's a Club event;
3. MAL is weekend of Jan 18. If you are planning to go better make reservations now;
4. Dennis is back with a metal knee. Oh, yeah, his mom is doing just fine...still!!!;
5. Ken's apartment is on the market;
6. Is Rich hung or is that some socks. (sorry Rich but I hardly ever get a chance to act gay anymore)
