

# ECMC Rumblings: June 2014

Empire City MC's monthly newsletter

## 'Made Men'

Evil Ed and I were shocked and surprised at the Excelsior MC run, 16-17-18 May, on Fire Island whilst

at closing ceremonies and announcements, our names were called to come up and accept associate membership in Excelsior MC!

This is the first time anything like this has happened to us, so we were seriously taken aback by this wonderful show of brotherhood! Much thanks to the brothers of Excelsior MC for this prestigious honour!

## ECMC 50th Anniversary Weekend, Oct 10<sup>th</sup>-12<sup>th</sup>: Hotel registration open, Run applications ready!

Run applications are ready for our 50th Anniversary Weekend in NYC! There is one attached to this newsletter, beneath the "upcoming events" section. As well as online at <http://EmpireCityMC.com> - send one application per person. Use the same application for full weekend or the private dinner/dance yacht cruise.

We have a full weekend of events planned for you including: hosting of the 176th AMCC meeting, a three-hour formal dinner/dance cruise with a premium open bar on a yacht in the New York Harbour, cocktail parties and much more!

It is vital that if you plan to stay with us in the host hotel, the DoubleTree hotel in Jersey City, you must book your reservations today before they sell out or the price goes up. The special room rate we negotiated for both double and king suites of \$145/night (up to 2 people) and \$165 (up to 4 people) will only be available until September 11th or until the group block is sold-out, whichever comes first. ComicCon will be in New York the same weekend, which will drive all hotel pricing up rapidly. Discount hotel parking for motorcycles and automobiles for our guests is \$15/day.

Make your reservations today at: <http://j.mp/hotel-res> or by calling 1-800-222-TREE and using booking code "ECM".

If your club is interested in hosting a cocktail party, please contact Chaz Antonelli at [ChazAntonelli@gmail.com](mailto:ChazAntonelli@gmail.com) - we have a limited number of cocktail party slots available.

## New York City Gay Pride March 2014

Empire City MC was around long *before* the Stonewall Riots. As we celebrate our 50<sup>th</sup> year, we're proud to continue our tradition as an integral part of the LGBT Pride March, led by our sister club, the [Sirens MC](#). The motorcycles roar and rumble, announcing our presence to onlookers!

Being a part of the parade and a part of the gay community is important to us and we hope to see you come out and cheer us on!

If you're interested in being volunteering to be a parade marshal, please contact 'Lex' of the NY Sirens MC at [sirensnyc@hotmail.com](mailto:sirensnyc@hotmail.com)

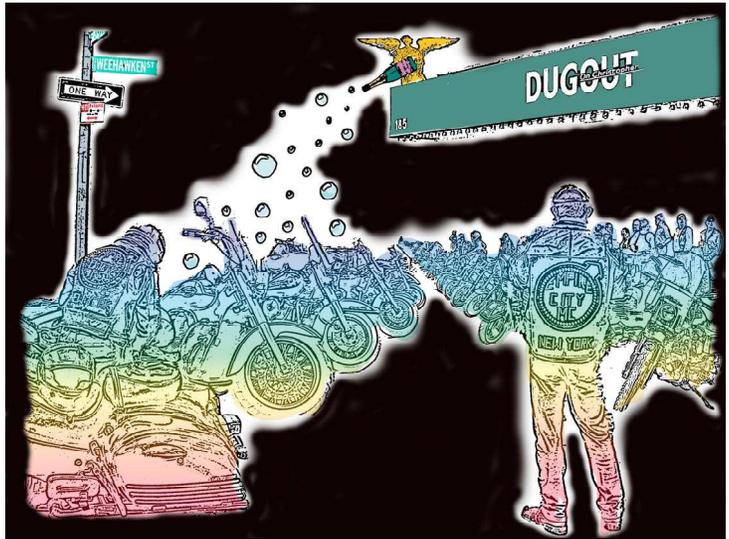

## Empire City MC's Annual Bike Christening and Biker's Picnic – June 20<sup>th</sup> & 21<sup>st</sup>

Come join us at 7:00 PM on Friday, June 20<sup>th</sup> in front of Ty's Bar, 114 Christopher St for our annual motorcycle christening and blessing.

All are welcome to come hang out with us and check out the sexy motorcycles and their owners!

Got a motorcycle? Bring it! We'll have special reserved parking in front of Ty's for the entire event.

The next day, meet up at 9:00 AM at Sweet Life Café, 147 Christopher St for a light "dutch treat" breakfast, then it's off to our secret location for bikers only for our 50<sup>th</sup> annual Biker's Picnic!

Although the christening is open to all persons, the biker's picnic is for bikers and their buddies only please.

### Sirens MC make a donation to GMHC

In recognition of our 50<sup>th</sup> Anniversary, the Sirens MC made a charitable donation to GMHC (the Gay Men's Health Crisis). Here's a little about both organizations:

The [Sirens Women's Motorcycle Club](#) is the oldest, largest women's motorcycle club in NYC. Founded in 1986, their current membership is over 40 women. Their founding members placed an ad in the Village Voice and held the first meeting in a living room over 25 years ago. They chose the name Sirens from a list of possibilities that included Skid Lids and Sister Spokes! Their artist in residence, Lori, created the artwork that became our club colours.

GMHC (<http://gmhc.org>) is the world's first and leading provider of HIV/AIDS prevention, care and advocacy. Building on decades of dedication and expertise, they understand the reality of HIV/AIDS and empower a healthy life for all. They fight to end the AIDS epidemic and uplift the lives of all affected.

The brothers of Empire City MC thank our sisters of Sirens MC for their kind act of charity and acknowledgement of our achievement.

### ECMC's 2014 Biker Weekend

Members of multiple motorcycle clubs, as well as GDIs, descended upon the Finger Lakes region of New York State last month for our annual Biker Weekend. We couldn't ask for better weather or a more perfect venue for this annual event.

Allow me to provide a little history about how this event came to be... Empire City MC has held our annual Bike Blessing and Biker's Picnic for the past 50 years. In the mid-80s, the event grew bigger and longer, typically falling on the weekend before, the weekend of, or the weekend after Memorial Day. When Rivendale (a.k.a. Valinore Farm) opened their doors, it became the home for our Biker Picnic, providing bunk-house style accommodations, a swimming pool, full kitchen, hot tub and a huge bonfire ring. Many other clubs also used Valinore Farm for their annual outdoor run site, including Bucks MC for their annual "100 Men in the Woods" anniversary weekend. The Biker Picnic was well loved and signalled the beginning of the riding season for many. There was never a charge for coming to the Biker Picnic as this was ECMC's way of saying "thank you" to the riding community. Valinore Farm was forced to close its doors due to zoning issues initiated by neighbours complaining about all the activity, traffic and noise. The "extended", weekend-long Biker Picnics came

to an end and became an afternoon day ride and event (and are still going strong); however, as of 2013, the Biker Picnic date was moved to the Saturday eight days before the NYC Gay Pride March and the new Biker Weekend was created to recapture the spirit of what our Biker Picnic *used* to be like – a long weekend of brotherhood, riding, food, fun and frolic on Memorial Day Weekend. Thanks to our friends, Al R and Dan M of Hemlock, NY, who have graciously opened their rather large home up to us, we are once again able to house up to 30 men in a similar environment with all the amenities that Valinore Farm used to offer (plus a few extra things!)

In order to defray the expense of the food for the weekend, we agreed that this new event would have a small fee to participants to defray the costs of food. In 2013 and 2014, the run fee was a measly \$25 per person.

This year, Biker Weekend was well-attended with people from Philadelphia, Cleveland, Boston, Washington DC, New York City and Rochester, NY. Clubs present included the NJ Eagles, Spartans, the Vikings, Unicorn MC and of course, our friends from the Rochester Rams MC were represented as well!

Food was planned and prepared by ECMC's former T.F.L., "K.K.", with the help of many people who lent a hand as needed.

Now, when I say "food", I am doing these culinary delights a disgrace. K.K. worked his ass off to ensure that no one went hungry, flying up to Rochester ahead of the group to shop and prepare all the meals. Each meal had its own theme, such as Saturday night's "Nuovo Italiano" theme, Sunday's Brunch theme of "La Resaca (the hangover)", Sunday's Dinner theme: "八福味國王餐 (eight luck royal tasting menu)" and finally Monday's Breakfast theme: "Early Bird Special". We ate like kings in our fancy disposable compartmentalized trays. No one went hungry!

On Sunday, ECMC offered a choice of six motorcycle rides – anyone could go anywhere they wanted; however, the group seems to pick one and all go on the one ride. In 2013, we visited the Jell-O Museum in LeRoy, NY (yes, Jell-O was created there, and it was only 30 miles from where we were staying.) This year, three of our riders wanted to ride up to Seabreeze Amusement Park in Irondequoit (the north side of Rochester on Lake Ontario) and ride the rides. We all rode up together, dropped off the three thrill-seekers whilst the remainder of us coasted along the shore of Lake Ontario to Charlotte, NY (west side of Rochester) to enjoy a "ground round" on a hard roll, fresh hand-cut onion rings and chocolate shakes at Schaller's Drive-In. Ground rounds aren't just hamburgers – they're ground top round meat and believe me, you can taste the difference! The photo on the right shows Bob K (Unicorns MC) and Scot L (Empire City MC) in front of Schaller's Drive-In.

On our way back to "The Ranch" (Dan & Al's home), we stopped at Tom Wahl's in Avon, NY. Tom Wahl's is another burger joint like Schaller's with roots going back to the 1950s; however, with one exception.. They still serve their own homemade root beer in frosted glasses! We just had to stop and get one of those!

There was one more thing that had to be done to complete the day-trip: the motorcycle "roller coaster". One of our hosts, Dan, told us about this crazy road last year and everyone loved it, so much in fact that I was requested to lead the riders there *again* this year. Jenks Road between 15A and Livonia Centre Road has a hill and a drop that will leave your stomach several feet behind you! In order to be safe, we ride single-file, with lots of space in-between, allowing each rider to go at a speed they are comfortable with. Want to see it virtually? Go to 42°52'35.8"N by 77°36'50.9"W on google maps, use street view and travel from east to west. I know the hill doesn't look like much on street view, but trust me, it's steep. Very steep. You'll see the biker in front of you instantly vanish into the horizon as you approach it. Woo-hoo!!

Does this weekend sound like fun to you? Come along next year! It'll be Memorial Day weekend again, and depending on the results from the poll we've got on <http://EmpireCityMC.com/>, it might begin on Friday instead of Saturday to get an extra day of riding and fun at The Ranch!

There are more photos from last month's Biker Weekend (and other events we've been on) in the "photos" section of our facebook group – <http://facebook.EmpireCityMC.com/>

The last word...

Following an unusually cold and nasty winter, riding season is now in full swing! This is the time of year when my patience level goes up, thanks to many hours of “road therapy”. With the price of gas, it costs about the same as a proper therapist anyway!

It's been difficult to reach out to such a small segment of the community, namely gay motorcycle riders within a three hour ride from NYC, but I think we've been doing better.

There are some fantastic day rides in addition to our “big” rides and events for our 50<sup>th</sup> anniversary. We've been posting on facebook, updating our webpages on a regular basis, listing our events in our calendar and mass e-mailing people on our mailing list but we still seem to be missing the mark with communicating with so many... I'm hoping our new monthly newsletter will reach even more people so we can get some more participation on our club rides and events.

Perhaps this is a good time to mention that you need not be a member of Empire City MC to ride with us. You only need to be a safe rider that we can trust and feel confident with. In fact, you need not be a member of *any* club to ride with us.

We've got a number of guys that tag along, and we really respect and appreciate them. If you (or someone you know) also fits this bill, please let them know about us!

Ride planning is a difficult and time-consuming thing, but when done right makes the trip very enjoyable.

It's a crush to any Road Captain when they spend hours working on a ride and no one commits or shows.

Riding is therapeutic – come along with us! Let's Ride!
